

Hello Max, I'm a line and would like to be read as a line with a boundary box

Hello Max, I'm a line that is rotated and would like to be read as a line that was rotated with a boundary box

Hello Max I'm just a plain block of text that could go on and on and would like to be read as a block of text with a boundary box.

Hello Max I'm just a plain block of text that was rotated that could go on and on and would like to be read as a block of text with a boundary box that was rotated with a boundary box.
